Dear Andrew,

Thanks so much for inviting me to participate in the 1979 USMA Senior Conference.

As enticing as your Conference focus is, I am afraid that I have to decline your invitation. As you can appreciate, the demands of the job are keeping me close to Washington.

From my tour at the Naval War College, I can appreciate the effort which goes into the planning and execution of such fora and their great educational value.

Please accept my sincere best wishes for a very successful gathering.

Yours,
